Supervisor of Elections Warns Voters of Unofficial Group Questioning Marion County Voters at their Residences

Marion County, FL. September 29 - Marion County Supervisor of Elections Wesley Wilcox was made aware that individuals belonging to an unofficial group are visiting residences of Marion County voters, attempting to collect personal information and validate voter information as it relates to the 2020 General Election.

There are similar reports in other Florida counties and an incident where an individual misrepresented themselves as being with that county and/or the Supervisor of Elections office.

Marion County voters are to be advised that these individuals are not in any way affiliated with the Marion County Supervisor of Elections office. Furthermore, the employees of the Elections Office will never visit a voter's residence to request voter information.

While third party groups have a legal right to certain public voter information, voters are advised to not give out their personal information. If an individual indicates that they are with "Marion County" or the "Marion County Supervisor of Elections Office", please contact us at 352-620-3290.
