Supervisor of Elections Alerts Voters of Unofficial Mailings

Marion County, FL. September 27 - Marion County Supervisor of Elections Wesley Wilcox alerts voters of misleading and inaccurate pre-filled voter registration letters, once again being mailed to Marion County citizens from two Washington, D.C. based groups, the Voter Participation Center (VPC) and Center for Voter Information (CVI). Residents started receiving the unofficial mailings last week.

Intended for residents who are not registered to vote, the groups utilize commercial data resulting in notices being sent with inaccurate and outdated information. Prior mailings have resulted in pre-filled voter registration applications sent to already registered voters, deceased persons, minor children, and even pets.

These ongoing mailings from the VPC and CVI continue to erode voter confidence and increase suspicion, mistrust, and anger among Florida voters. The association of Florida Supervisors of Elections (FSE) mailed the following letter to Jennifer L. Carrier on September 21:
