Supervisor of Elections Alerts Voters to Unofficial Mailings

Marion County, FL. March 17 - Marion County Supervisor of Elections Wesley Wilcox alerts voters to unofficial voter registration mailings sent to over 7,000 Marion County residents from the Voter Participation Center (VPC) and the Center for Voter Information (CVI). The letter is intended for unregistered voters and includes a pre-filled voter registration application and a return envelope addressed to the Marion County Elections Office.

The VPC and the CVI are third-party non-governmental organizations and are not affiliated with the Marion County Elections Office. The Marion County Elections Office has not printed, mailed, nor provided the data used in these mailings. Commercial data is used, resulting in letters being sent with inaccurate and outdated information. Prior mailings have resulted in letters sent to already registered voters, deceased persons, minor children, and even pets.

The Marion County Supervisor of Elections is the official source of voting and election information. Voters are encouraged to look for the "Official Election Mail" logo or the Supervisor of Elections seal to verify official mailings. Marion County residents can verify their voter registration status or eligibility by visiting www.VoteMarion.Gov or calling 352-620-3290, M-F, 8:30 a.m. to 4:30 p.m.

Individuals are encouraged to contact the groups directly to unsubscribe from future mailings.
